Dear Jeff,

We want to thank your class and your class officers for your support of Dartmouth Partners in Community Service this past fiscal year. DPCS has had a tremendous year made possible by Dartmouth Alumni who have shared their wealth and their wisdom with 31 interns.

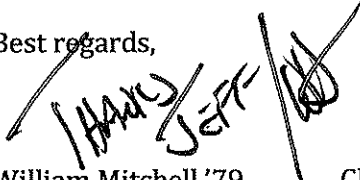

Your class is one of 12 that contributed \$81,183 to this year's operating budget. Some of your classmates also made gifts to the DPCS Endowment. Without your Class's generosity, DPCS would not be able to deliver on its mission to inspire Dartmouth students to join Dartmouth Alumni and their families in addressing problems facing our society. The interns are able to invest in their civic growth and liberal education by participation in leave term service internships at such venues as Lawyers Alliance for New York, Waikiki Health Center, Easter Seals Bay Area and Breakthrough Miami. You are able to access the backgrounds of each intern and the description of each community service program by going to the DPCS website (www.dartmouth.edu/~dpcs).

DPCS is the only Dartmouth program that actively employs Dartmouth Alumni as mentors to provide guidance and wisdom. Mentors do not have to be experts in the program of their mentee as they are asked as many life and management questions as they are asked about the specifics of the internships. A number of your classmates may have already served as mentors. We hope you encourage them to do so when you are discussing DPCS at Class meetings or in your Class Newsletters.

DPCS Interns love to talk about their experiences so please do not hesitate to include them in your on-campus Mini-Reunion presentations. Alternatively, mentor/mentee meetings could develop into regional mini-reunions outside of Hanover. Please just contact one of us to help arrange it.

In the fall we will again send you a copy of the DPCS Newsletter that was produced for the first time last year. We hope you will send it to your Class Newsletter Editor so she/he can include our thanks and spread the word about DPCS and your Class's generosity.

Best regards,
